

JEFFERSON/FRANKLIN CONSORTIUM WIOA YOUTH FOLLOW-UP POLICY

Resources [Office of Workforce Development \(OWD\) Policy on Statewide Enrollment and Exit](#)

Description:

The Jefferson/Franklin Consortium recognizes the importance of ensuring effective follow-up services to individuals who have participated in programs funded under the Workforce Innovation and Opportunity Act (WIOA). This policy establishes guidelines for tracking participant performance and providing comprehensive services for 12 months after program completion.

Guidance from the Department of Labor (DOL) Employment and Training Administration (ETA) defines the “point of exit” for performance reporting. For WIOA Title I Adult and Dislocated Worker, WIOA Title I Youth, WIOA Title III Wagner Peyser (WP), and Trade Adjustment Assistance (TAA) programs, “point of exit” is the last date of service. Participants will exit the program(s) having gone 90 days without receiving a countable service, for performance-accountability purposes this guidance also establishes a policy restricting program operators from controlling the date of exit from the workforce programs included in the [Primary Indicators of Performance](#).

After Exit Follow-Up Requirements for WIOA Youth:

Subrecipient staff must follow up with WIOA participants, as necessary, to provide accurate reporting on the WIOA indicators of performance measures.

Data will be collected through various methods, including participant self-reporting, employer verification, and data sharing agreements with relevant agencies and organizations. Efforts will be made to ensure data accuracy and confidentiality.
