

JEFFERSON/FRANKLIN CONSORTIUM WIOA TRANSITIONAL JOBS POLICY

Resource: [Office of Workforce Development \(OWD\) Policy on Adult/Dislocated Worker Work Experiences](#)

A “transitional job” is a work-based learning activity that provides a time-limited work experience, wages-paid and subsidized in the public, private, or non-profit sectors. Transitional Jobs serve individuals with barriers to employment because of chronic unemployment or inconsistent work history; these jobs are designed to enable an individual to establish a work history; demonstrate work success and develop the skills that lead to unsubsidized employment.

Up to ten (10%) percent of the Jefferson Franklin Consortium Local Workforce Development Board’s (JFCWDB) combined total Adult and Dislocated Worker allocations can be made available for Transitional Jobs. Transitional Jobs will be combined with comprehensive Career Services and Supportive Services.

Unlike OJT, there is no assumption that the individual will be retained in their transitional job after the experience is over, though that would be a successful experience and outcome.

Strategy

Transitional Jobs is an employment strategy to stabilize individuals and their families with earned income while they gain skills and experience to transition into unsubsidized employment.

A pre-award evaluation will be conducted by Job Center staff. This evaluation will take place prior to placement and will include the completion of a Worksite Agreement and an acknowledgement of general assurances. Copies of each agreement will be placed in the participant file.

1. A worksite Agreements is required between the Local WDB and the Worksite Employer and is required for each individual worksite. The Worksite Agreement must be signed by the Employer/Authorized Representative and Program Operators Authorized Agency staff before it is valid. General Assurances will be reviewed with the Employer prior to signature of the document.
2. Worksites will not use WIOA participants to replace regular unsubsidized employees. The training must not displace current employees (including a partial displacement, such as reduction in the hours of non-overtime work, wages, or employment benefits). A participant in a program or activity may not be employed in or assigned to a job if:
 - Any other individual is on layoff from the same or any substantially equivalent job;

- The employer has terminated the employment of any regular unsubsidized employee or otherwise caused an involuntary reduction in its workforce with the intention of filling the vacancy so created with the participant; or
 - The job is created in a promotional line that infringes in some way on the promotional opportunities of currently employed workers.
3. Transitional employment wage will be at the Local WDB approved wage rate.
 4. The Local WDB will be considered the employer of record and will provide worker's compensation coverage to the participant.
 5. WIOA participants must complete all required new-hire paperwork prior to the hire/start date.
 6. WIOA participants will be E-verified before or within 3 business days of the hire/start date.
 7. WIOA participants will be paid only for actual hours worked. No pay will be given for lunch breaks, holidays, or absences. Overtime is prohibited.
 8. Timesheets will be utilized by the participant and employer to record and approve time. Job Center staff will provide the Worksite Employer and participant with instructions.
 - A Supervisor must review the timesheet for accuracy.
 - The timesheet must be signed and dated by the participant, worksite supervisor and approved by Job Center staff.
 - Timesheets will be submitted to Job Center staff on a bi-weekly basis.
 - Payroll checks for hours worked will only to be issued from an approved time sheet.

Employer Requirements/Limitations

- Regular employees and program participants alleging displacement may file a complaint under the applicable grievance procedures.
